GIANT STEPS GALA | 15 JUNE 2024

INTERNATIONAL CONVENTION CENTRE, SYDNEY

MESSAGE FROM OUR CHAIRMAN

In life it is always important to reflect on moments that matter – moments of achievement, moments of challenge, moments of joy and sadness and moments of vulnerability.

At Giant Steps Sydney we always remember that it's our knowledge and understanding of autism, as well as our care and support, that we share with our early years, primary and secondary school students, our post-school program participants and their families. We always recognise the importance of individualised education and therapy programs.

We work with these students and families, together with our highly trained teachers, music, speech and occupational therapists, psychologists and educators to design and implement programs that recognise the learning style of each student. We simultaneously create opportunities for our children to learn and develop skills that will see them as active participants in family and community life, reaching their potential, enjoying the wonderful moments of life and overcoming the challenges that life inevitably brings.

Giant Steps Sydney continues to grow. Our waiting list is long and we want to help as many children, young adults and their families impacted by autism as we can.

We believe in “finding a way” and this is made possible with the help of our many friends, supporters and events like tonight.

On behalf of our students, post-school participants, and their families, we thank you with all our hearts for your care and support.

A handwritten signature in black ink, appearing to read 'B. Irvin', followed by a long, wavy horizontal line.

partner with such
a worthy cause

Founded by brothers Robin and Norman, Chalouhi operates with family values at the heart of our business.

Working for 20 years in the civil sector, the two brothers built a reputation for excellence before noticing there was a gap in the market for comprehensive solutions that provided clients with cost-effective outcomes through optimised designs.

In 2013, Chalouhi commenced operations and has been growing in staff, clients and capabilities ever since, securing a legacy of excellence for the future. With a dedicated team of over 200 staff, Chalouhi offers its clients with holistic design and construct solutions, developed by our in-house engineering design team.

Chalouhi focuses on building a comprehensive end-to-end service that integrates all phases of the civil construction process. We offer more than just demolition, remediation, ground engineering, excavation and civil works. Chalouhi goes beyond the traditional civil scope to provide specialised services such as piling, shotcreting, anchoring, and surveying, all within one company. At Chalouhi, we are privileged to contribute to the well-being of our communities through various initiatives.

Our commitment to giving back stems from a genuine desire to make a positive impact, not for recognition, but because it aligns with our values and enriches our lives and those around us.

CROATIA TRIP

Perfectly located, Villa Riva is situated in the village of Kut on the opposite side of the Island of Vis' harbour from where the ferry arrives (Vis town). This is the quieter, more private side of the bay. Despite the tranquility, it is only a short walk from the house to beaches, restaurants / bars, supermarket and car hire.

Luxurious and relaxed, it's a perfect getaway for those who love the beauty and history of Europe, crave the relaxation of a seaside location, and want a comfortable, private retreat from which to enjoy it all. Vis lies between Italy and Croatia, about 50 kilometres southwest of Split. It's the outermost inhabited island amongst the myriad of Croatian islands that make up Dalmatia.

Villa Riva is a beautiful, four-storey 200 year old Venetian villa, set on a small square facing the lapping waters of the Adriatic. It accommodates at least 6 to 8 people in 3 bedrooms and 3 bathrooms, and offers stunning views of Vis and its harbour from all the bedrooms and terraces. There are daily flights into Split from European capitals, and 2-3 ferries a day to Vis (1.5 -2.5 hours) from Split.

The owners will provide their personal recommendations for where to eat and how best to enjoy the island and they have a local manager on hand also.

The prize is for one week's accommodation staying in the Villa, subject to availability (excluding July and August). Valid until 31 December 2025.

Also included is a \$5,000 voucher from Flight Centre.

PLEDGES

GOAL – TO RAISE \$130,000 FOR NEW VEHICLES

At this year's Giant Steps Luminous Gala Ball, we are aiming to raise \$130,000 to purchase two essential vehicles for our school and adult program. Transporting children and adults on the autism spectrum often requires specialised transport in large vehicles to support the individual needs of each child.

The new vehicles will not only ensure safe and reliable transportation but also support a wide range of Community Access activities, such as swimming lessons, horse riding, BBQs, shopping, sailing, gymnastics, surfing, overnight school camps, and providing respite for families. Additionally, vehicles need to be fuelled, insured, registered, and serviced, all of which require funding.

We are in need of two 12-seater buses to transport class groups and adult participants to Community Access activities. Your support will help us achieve this goal and make a tremendous difference to the lives of our students, adult participants and their families. Please consider making a pledge tonight to help us reach our goal.

Thank you for your unwavering support and commitment to Giant Steps.
